

# Resolution of the ILCA World Council

24 November 2019

The members of the ILCA World Council resolve to accept the results of the 2019 rule change vote that amended the definition of a Builder. The voting results were independently audited and have been reviewed and verified to the satisfaction of the World Council, which considers this matter is fully concluded.

Signed and agreed by:

Tracy Usher – President

Hugh Leicester – Vice President

Carlos Palombo – Central and South America Chairman
